Re: Notice of Compliance Filing – Tucson Electric Power Company
Decision No. 73912, Docket No. E-01933A-12-0291

Pursuant to Section 18.1 of the Settlement Agreement approved by Decision No. 73912 (June 27, 2013) (“Decision”), Tucson Electric Power Company (“TEP”) is required to:

“TEP agrees to: (i) continue to evaluate TEP’s reliability on the basis of the distribution indices being maintained at present levels and (ii) initiate a study within 180 days of the effective date of the approval of this Agreement to examine potential loss reductions and the costs required to convert 4.16 kV circuits to 13.8 kV.”

TEP hereby give notice that on September 13, 2013, TEP initiated its engineering study to examine potential loss reductions and the costs required to convert 4.16 kV circuits to 13.8 kV.

If you have any questions, please contact me at (520) 884-3680.
